

July 28th through August 1st
Lone Mountain Conference Center
San Francisco, California

We would like to extend an invitation to \TeX users around the world to join us in one of the most beautiful and exciting cities in the world. The conference will be held at The University of San Francisco Lone Mountain Conference Center, located on a 55-acre hilltop refuge with views of the Pacific Ocean, San Francisco Bay and the dramatic downtown skyline, and is a short walk from Golden Gate Park. Economical guest housing on campus is available to conference attendees.

The facility is about a 15-20 minute bus ride from the center of San Francisco, between town and the ocean beach. A single bus will take passengers from the ferry terminal building on the Embarcadero through town, past the University and to the beach.

The center is very well equipped, with several lecture halls and dining facilities. Shuttle transportation is available to take conference attendees who are staying on campus to the center. Computer accounts will be given out to all conference attendees.

Please forward your abstracts or questions to tug97@mail.tug.org. If you are interested in attending but not giving a paper, and wish to be kept up to date with the latest conference information including program, cost, etc., please send email to tug@tug.org, or visit our WWW page at <http://www.tug.org/tug97/>.
