

## **TUGboat**

During 1999, the communications of the T<sub>E</sub>X Users Group will be published in four issues. The September issue (Vol. 20, No. 3) will contain the Proceedings of the 1999 TUG Annual Meeting.

*TUGboat* is distributed as a benefit of membership to all members.

Submissions to *TUGboat* are reviewed by volunteers and checked by the Editor before publication. However, the authors are still assumed to be the experts. Questions regarding content or accuracy should therefore be directed to the authors, with an information copy to the Editor.

## **Submitting Items for Publication**

The next regular issue will be Vol. 20, No. 2. The deadline for technical items will be May 24; reports and similar items are due by June 1. Mailing is scheduled for June. Deadlines for other future issues are listed in the Calendar, page 65.

Manuscripts should be submitted to a member of the *TUGboat* Editorial Board. Articles of general interest, those not covered by any of the editorial departments listed, and all items submitted on magnetic media or as camera-ready copy should be addressed to the Editor, Barbara Beeton, or to the Production Manager, Mimi Burbank (see addresses on p. 3).

Contributions in electronic form are encouraged, via electronic mail, on diskette, or made available for the Editor to retrieve by anonymous FTP; contributions in the form of camera copy are also accepted. The *TUGboat* “style files”, for use with either plain T<sub>E</sub>X or L<sup>A</sup>T<sub>E</sub>X, are available “on all good archives”. For authors who have no network FTP access, they will be sent on request; please specify which is preferred. Send e-mail to [TUGboat@tug.org](mailto:TUGboat@tug.org), or write or call the TUG office.

This is also the preferred address for submitting contributions via electronic mail.

## **Reviewers**

Additional reviewers are needed, to assist in checking new articles for completeness, accuracy, and presentation. Volunteers are invited to submit their names and interests for consideration; write to [TUGboat@tug.org](mailto:TUGboat@tug.org) or to the Editor, Barbara Beeton (see address on p. 3).

## **Other TUG Publications**

TUG publishes the series *T<sub>E</sub>Xniques*, in which have appeared reference materials and user manuals for macro packages and T<sub>E</sub>X-related software, as well as the Proceedings of the 1987 and 1988 Annual Meetings. Other publications on T<sub>E</sub>Xnical subjects also appear from time to time.

TUG is interested in considering additional manuscripts for publication. These might include manuals, instructional materials, documentation, or works on any other topic that might be useful to the T<sub>E</sub>X community in general. Provision can be made for including macro packages or software in computer-readable form. If you have any such items or know of any that you would like considered for publication, send the information to the attention of the Publications Committee at [tug-pub@tug.org](mailto:tug-pub@tug.org) or in care of the TUG office.
