

TUGboat

This regular issue (Vol. 32, No. 1) is the first issue of the 2011 volume year. No. 2 will be another regular issue, with reprints from the EuroBach \TeX conference, and No. 3 will contain papers from the TUG 2011 conference in Trivandrum, India.

TUGboat is distributed as a benefit of membership to all current TUG members. It is also available to non-members in printed form through the TUG store (<http://tug.org/store>), and online at the *TUGboat* web site, <http://tug.org/TUGboat>. Online publication to non-members is delayed up to one year after an issue's print publication, to give members the benefit of early access.

Submissions to *TUGboat* are reviewed by volunteers and checked by the Editor before publication. However, the authors are still assumed to be the experts. Questions regarding content or accuracy should therefore be directed to the authors, with an information copy to the Editor.

Submitting items for publication

The deadline for receipt of final papers for the next issue is June 30, and for the proceedings issue is October 31.

As always, suggestions and proposals for *TUGboat* articles are gratefully accepted and processed as received. Please submit contributions by electronic mail to TUGboat@tug.org.

The *TUGboat* style files, for use with plain \TeX and \LaTeX , are available from CTAN and the *TUGboat* web site. We also accept submissions using Con \TeX t. More details and tips for authors are at <http://tug.org/TUGboat/location.html>.

Effective with the 2005 volume year, submission of a new manuscript implies permission to publish the article, if accepted, on the *TUGboat* web site, as well as in print. Thus, the physical address you provide in the manuscript will also be available online. If you have any reservations about posting online, please notify the editors at the time of submission and we will be happy to make special arrangements.
