## Digital Typography & Electronic Publishing: Localization & Internationalization

The 27<sup>th</sup> Annual Meeting & International Conference of the T<sub>E</sub>X Users Group  
Announcement and Call for Papers

After TUG 2003 in America (Hawaii, USA), TUG 2004 in Europe (Xanthi, Greece), TUG 2005 in Asia (Wuhan, China), it is fitting that TUG 2006 be held in Africa—in Marrakesh, Morocco. The conference will be hosted by Cadi Ayyad University's Sciences Faculty.

Processing multilingual e-documents will go beyond the limits of its traditional cultural areas and new horizons in the internationalization of T<sub>E</sub>X will be explored. The conference consists of scientific and technical talks, panels and poster sessions, as well as tutorials, all dedicated to present investigations of e-document technology.

The topics of interest include:

*System design:*

- Internationalization & localization
- Presentation and content
- Electronic publishing
- Digital typography
- Document design
- Recognition
- Calligraphy
- Standards

*Web technology:*
